With the addition of the pure-hearted and beautiful Sando and the mysterious female Angyo Onshi Miss Hwang our circle of comrades expanded. We all wish for peace for the people of this world.

However, lies and truth are intricately interwoven in this world. Problems which cannot be solved by reason cause anguish for us all.

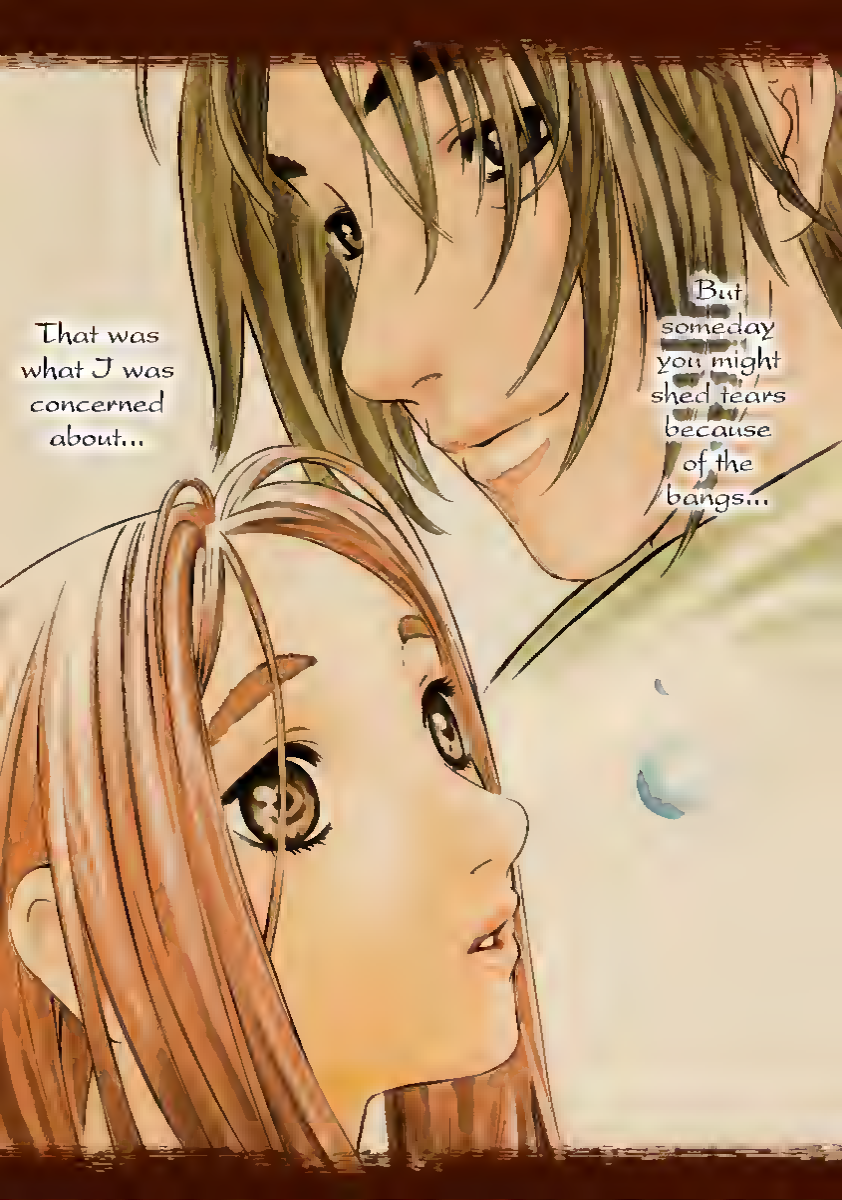
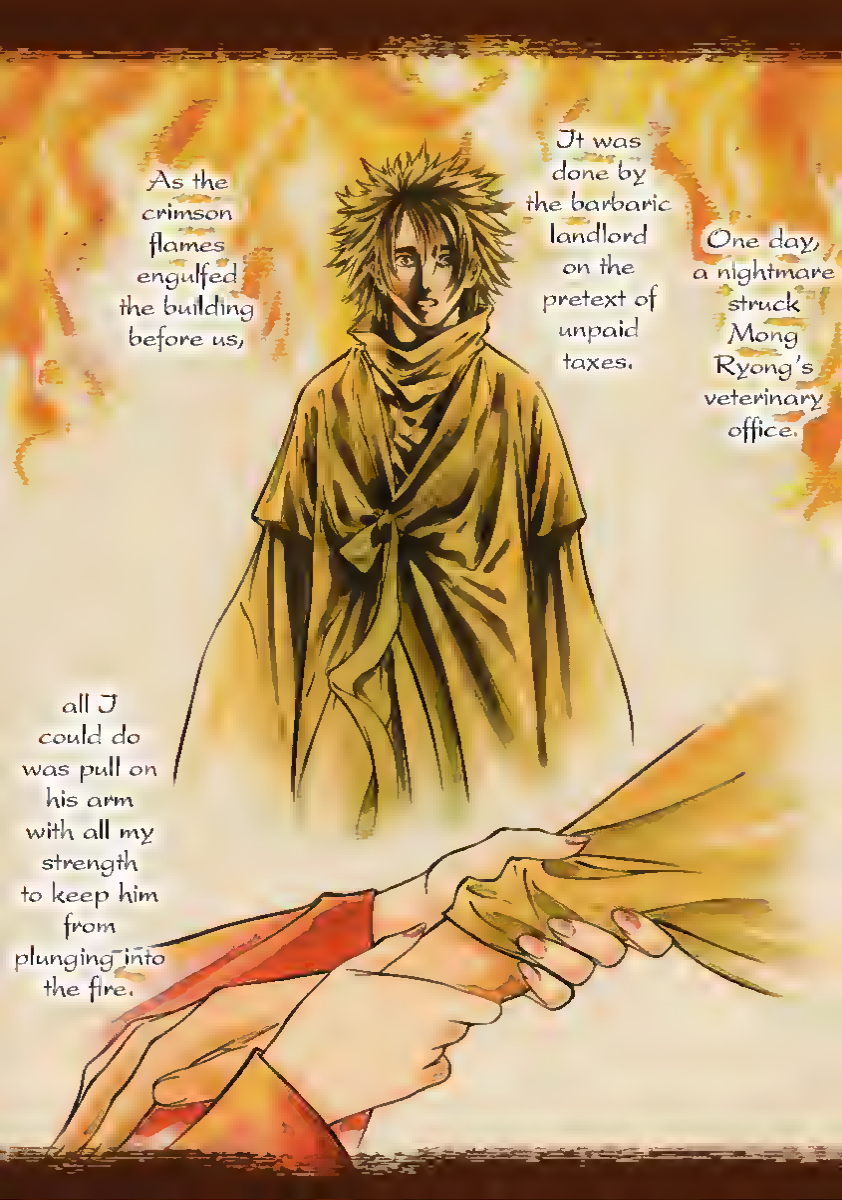
I asked him almost every day to get his hair cut.
His usual answer was...
"Ha ha ha. If I had the time for that, I'd rather use it to look after animals."

"In this world of chaos..."
"when even people find it difficult to survive..."
"the animals are the ones that need our aid the most."
"Do you understand,"
"Chun Hyang?"

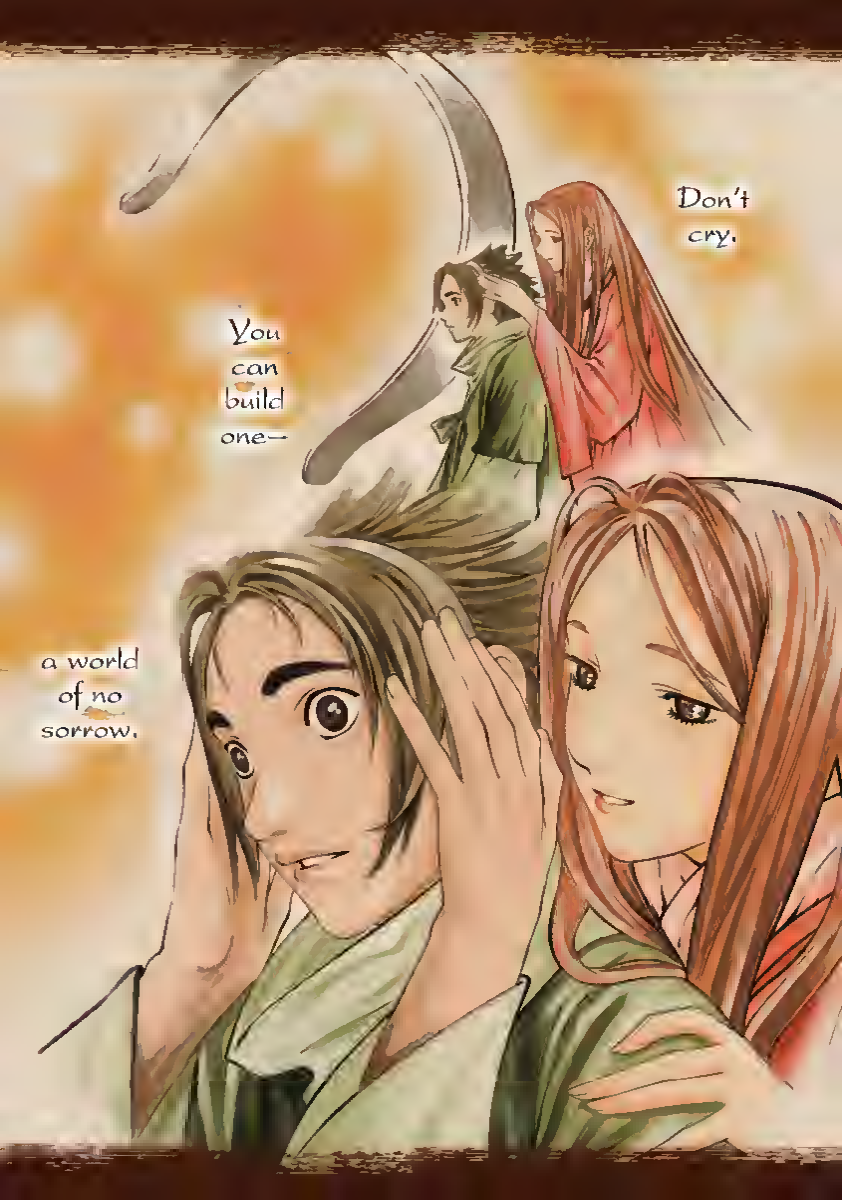


That was what I was concerned about...
But someday you might shed tears because of the bangs...



One day, a nightmare struck Mong Ryong's veterinary office.
It was done by the barbaric landlord on the pretext of unpaid taxes.
As the crimson flames engulfed the building before us,
all I could do was pull on his arm with all my strength to keep him from plunging into the fire.

all the while cursing the twisted world for letting such wrongdoings pass.
He wailed endlessly,
Before the countless bodies of dead animals...
tears fell from his eyes.



Don't cry.
You can build one—
a world of no sorrow.

because I'll be with you forever...
A world of no tears...
It might not be possible right away, but... let's build it together.

Even after the fall of Jushin
in particular Angyo Onshi,
with worldly logic as his
compass, continues to roam the
lands, searching. His name is
known as that of a stark and
faithful
as one

The ancient kingdom of Jushin.
Once upon a time,
direct emissaries of the King were sent to
outlying regions to free the people from suffering under evil.
The people called them the Amen-osa.
And today, when the kingdom has collapsed...
A single Amen-osa, named Munsu,
together with his guard Sando and his servant Banja,
wanders through the ravaged land,
fighting evil and countless demons and monsters...
